Second area of consideration will go to any qualified U.S. Citizen**DUTIES:** The complete Functional Statement may be reviewed in Human Resources Management Division. The following duties and responsibilities are taken from the functional statement and are considered to be a brief extract. A specialist in diagnostic radiology provides patient care in a hospital setting to adults with acute and chronic medical conditions and serves as a consultant to other physicians. The radiologist is experienced in interpretation of diagnostic radiologic studies generated in the submodalities of computed tomography, general radiology, magnetic resonance imaging, and ultrasonography. The radiologist is also experienced in the performance of procedures such as biopsies, myelography, arthrography, intravenous pyelography and barium studies. Diagnostic radiologists appointed to the Imaging Service will be eligible for academic appointment with the affiliated Oregon Health Sciences University (OHSU) and will provide education, training, mentoring and supervision to radiology residents as part of a shared residency program with OHSU. Additionally, diagnostic radiologists will be expected to pursue research and/or academic interests related to the field of radiology or nuclear medicine and participate in educational lectures and conferences sponsored by the Portland VA Medical Center and OHSU. The incumbent will function as an equal member within the larger team of staff radiologists. Individuals with specialized fellowship training in a particular subspecialty may be assigned director responsibilities for that subspecialty and may function as the primary radiologist responsible for formulating policy, procedures, education and training impacting the daily clinical operations of the subspecialty.**QUALIFICATIONS:**

- ♦ Must be a citizen of the United States.
- ♦ Must be a licensed Physician with relevant work experience.
- ♦ Must be board-certified or board eligible in Radiology.
